## EMBRACING CHANGE IN THE LITURGY WEEK 4

58 days until the official start of the changes!

If you are computer savvy, please visit the Loyola Press website to view a "webinar" (a seminar conducted over the Internet) on the Roman Missal changes: <http://www.loyolapress.com/roman-missal-changes-webinar.htm>

### What can I do to make the process of change a good one for my parish?

Everyone has a role to play in preparing to use the new translations:

- Study the new texts with an open heart and an open mind so that you will be ready to use them in the Liturgy.
- Take advantage of opportunities to learn more about the new texts by attending catechetical programs and reading articles about the new texts.
- If you are a parent, teach your children the new prayers and help them to understand the changes. Encourage them to participate in the Mass fully and to learn more about their faith.
- Be very intentional about celebrating the Liturgy each Sunday and holy day. Arrive on time (or a bit early). Pray and sing with attentiveness. Stay focused on the action of the Liturgy rather than letting your mind wander. Hold the Sacrament of the Eucharist in great reverence. Finally, give thanks to God in your heart for so great a gift.

Times of change are always a challenge. But from this challenge can come a deeper appreciation of who we are as the Body of Christ, gathering to celebrate the Paschal Mystery of the Lord.

### What's new or different about the revised translations?

The style of the translation of the third edition is different. In accord with the rules for translation established by the Holy See, the revised translation follow they style of the original Latin texts more closely, including concrete images, repetition, arallelisms, and rhythm. The English used in the Mass texts is more formal and dignified in style. Where possible, the texts follow the language of Scripture and include many poetic images. In addition, the third edition contains prayers for the celebration of recently canonized saints, additional prefaces for the Eucharistic Prayers, additional Masses and prayers for various needs and intentions, and some updated and revised rubrics (or instructions) for the celebration of the Mass.
